Your Film/Video Production Will Surpass Your Expectations, Meet Your Deadlines, And Will Not Exceed Your Budget!

When Your Image Is On The Line Quality Must Be The Best"

Robert McWilliams background and extensive knowledge of broadcast television puts **Robert McWilliams Productions, Inc.** at the forefront of broadcast and corporate film/video production.

From 1980 to 1987 Robert was *the* Assistant production Manager and Producer/Director of all retail video production for KOFY TV20 in San Francisco (the nations fifth largest television market), producing and directing in excess of 4000 television commercials. In January of 1987, Robert was promoted to TV20's Production Manager. Working with a sales staff of seven, Robert successfully managed all creative endeavors for retail services while supervising a production staff consisting of round-the-clock production with editors, cameramen, technicians, and on-air staff through June of 1989.

During the last 17 years **Robert McWilliams Productions, Inc.** has produced a wide range of productions and Satellite broadcasts. From working with centuries old transcripts in England, to a Documentary near the Arctic circle on the Yukon, to the film "Made In America" with Ted Dansen and Whoopie Goldberg. Plus "High Definition" projects for clients Travel Channel, Adam Sandler, Van Ness Films and many more. All this in addition to, regular assignments with ABC, NBC, CNBC, MSNBC, FOX, the CBC, BBC, Reuters, King World Productions, and many fortune 500 corporate clients.

With over 26 years of broadcast television experience under his belt, Robert is a seasoned professional who knows how to **"get the job done right, on time, and most importantly, on budget"**!

This culmination of talent and experience translates into superior creative output, premier production value, (IE. lighting, camera work, graphics, etc.), and on-target marketability of your film/video production whether its live, in the studio, or on location.
